of the township or townships concerned shall, at the time of the creation of a new district, or within the period of thirty days thereafter, proceed to the appointment of three appraisers, who shall not be citizens of the township or townships interested. It shall be the duty of said appraisers, within thirty days after their appointment, to appraise the school property, both real and personal, of the district or districts interested, at their fair cash value.

Debts to be
deducted.

Within thirty days after such appraisement, the trustees of the township or townships concerned shall proceed to charge the property to the district in which it may be found, and to credit the other district interested therein

with its proportion of such valuation: *Provided*, That the *bona fide* debts, if any, of the old district, shall first be deducted and the balance charged and credited as aforesaid, and of the funds then on hand, or subsequently to accrue, belonging to such district to which such property is charged, the trustees shall direct the treasurer to place to the credit of the district not retaining said property its proportion of the value of said property. If trustees shall fail to observe ^{Trustees liable.} the provisions of this section in reference to distribution of funds and property, they shall be individually and jointly liable to the district interested, in an action on the case, to the full amount of the damages sustained by the district aggrieved. Where trustees have heretofore failed to make distribution of property to districts as provided in this section, any district interested in the making of such distribution may, by its directors, request the trustees, in writing, to proceed to make such distribution; and said trustees shall proceed to make distribution in the manner herein prescribed and shall be liable in like manner for neglect or failure. Within ten days after any changes are ^{Map to be filed.} made in district boundaries, whether by division, consolidation or otherwise, the township treasurer shall make a full record thereof in the record book of the trustees, and file a copy of said record together with a new map of the township, and a list of the tax-payers resident in each of the newly arranged districts, in the office of the County Clerk. Compliance with these requirements, within the said period of ten days, is hereby made essential to the validity of any alterations of district boundaries. If said ^{County clerk to correct tax list.} copy of record, plat of township and list of tax-payers shall be filed, as aforesaid, in the office of the county clerk, within ten days after the October meeting of the trustees, the county clerk shall thereupon correct the lists required to be filed on or before the first Monday in September under section forty-four (44) of this act. [As amended by act approved May 23, 1877.]

§ 34. At the regular semi-annual meetings, on the first ^{Apportionment to districts.} Mondays of April and October, the trustees shall ascertain the amount of state, county and township funds on hand and subject to distribution, and shall apportion the same as follows:

First—Whatever may be due for the compensation and the books of the treasurer, and such sum as may be deemed reasonable for dividing school lands, making plats, etc. ^{Basis of.}

Second—The remainder shall be divided among the districts or factions of districts, in which schools have been kept in accordance with the provisions of this act, and the instructions of the state and county superintendents, in proportion to the number of children under twenty-one years of age in each.

The funds thus apportioned shall be placed on the books ^{Treasurer to pay out district funds.} of the treasurer to the credit of the respective districts, and

the same shall be paid out by the treasurer on the legal orders of the directors of the proper districts.

Transfer of pupils. § 35. Pupils shall not be transferred from one district to another without the written consent of a majority of the directors of both districts; which written permits shall be delivered to and filed by the proper township treasurer, and shall be evidence of such consent. A separate schedule shall be kept for each district, and in each schedule shall be certified the proper amount due the teacher from that district, computed upon the basis of the total number of days' attendance of all the schedules. If the district from which the pupils are transferred is in the same township as the district in which the school is taught, the directors of said district shall deliver the separate schedule to their township treasurer, who shall credit the district in which the school was taught, and charge the other districts with the respective amounts certified in said separate schedules to be due. If pupils are transferred from a district of another township, the schedule for that district shall be delivered to the directors thereof, who shall immediately draw an order on their treasurer, in favor of the treasurer of the township in which the school was taught, for the amount certified to be due in said separate schedule. When a school is composed of pupils from different townships, the teacher shall, in all cases, be paid by the treasurer of the township in which the school is taught, and the duty of collecting the amount due from the other townships shall devolve upon the directors. Upon petition of fifty voters of any school township, filed with the township treasurer at least fifteen days preceding a regular election of trustees, it shall be the duty of said township treasurer to notify the voters of the township that an election "For" and "Against" a high school will be held at the next ensuing election of trustees, and the ballots to such effect shall be received and canvassed at such election; and if a majority of the votes at such election shall be found to be in favor of a high school, it shall be the duty of the trustees of the township to establish, at some central point most convenient for the majority of the pupils of the township, a high school, for the education of the more advanced pupils. For the purpose of building a school house, supporting the school, and other necessary expenses, the township shall be regarded as a school district, and the trustees shall have the power and discharge the duties of directors for such district in all respects: *Provided*, That in like manner the voters and trustees of two or more adjoining townships, or parts of townships, may co-operate in the establishment and maintenance of a high school, on such terms as they may, by written agreement made by the board of trustees, enter into.

Two of the directors ordering the election shall act as judges and one as clerk of said election. But if said directors, or any of them, shall fail to order an election, to attend, or refuse to act when present, and in unorganized districts, the legal voters, when assembled, shall choose such additional number as may be necessary to act as two judges and a clerk of said election: *Provided*, that if, upon the day appointed for said election, the said directors or judges shall be of opinion that, on account of the small attendance of voters, the public good requires it, or if the voters present, or a majority of them, shall desire it, they shall postpone said election until the next Saturday, at the same place and hour, when the voters shall proceed as if it were not an adjourned meeting: *And provided, also*, That if notice shall not have been given as above required, then said election may be ordered as aforesaid, and holden on the third Saturday in April, or any other Saturday, notice thereof being given as aforesaid. The directors shall appoint one of their number president and another of their number clerk, who shall keep a record of all the official acts of the board, in a well bound book provided for the purpose, which record shall be submitted to the township treasurer, for his inspection and approval, on the first Mondays of April and October, and at such other times as the township treasurer may require. The clerk of each board of school directors shall report to the township treasurer of the proper township, on or before the first Monday of October, annually, such statistics and other information in relation to the schools of their respective districts as the township treasurer is required to embody in his report to the county superintendent, and the particular statistics to be so reported shall be determined and designated by the state superintendent of public instruction. At the annual election of director, the directors shall make a detailed report of their receipts and expenditures to the voters there present, a copy of which shall be transmitted to the township treasurer within five days of the time of said election. They shall also report the number and names of persons above the age of twelve years and under twenty-one, residing in the district, who are unable to read and write, and the causes of the neglect to educate them. Directors are authorized to use any funds belonging to their district, and not otherwise appropriated, for the purchase of a suitable book for their records, and the said records shall be kept in a punctual, orderly and reliable manner. Within ten days after every election of directors the judges shall cause the poll book to be delivered to the township treasurer, with a certificate thereon, showing the election of said directors and names of the persons elected; which poll book shall be filed by the township treasurer, and shall be evidence of said election. For failure to deliver said poll book within the time prescribed, the judges shall be liable to the same penalty as is prescribed in section thirty, which penalty may be recovered in the same manner as is provided in said section, and when collected, shall be added to the district funds. If any trustee or director shall not be an inhabitant of the district or township which he represents, an election shall be ordered to fill the vacancy; and no person shall be at the same time a director and trustee, nor shall a director or trustee be interested in any contract made by the board of which he is a member.
